

NEW RA EXP Hydraulic Expander Kit

The RA EXP Expander Set couples hydraulic pressure with a light-weight tool to create a perfect and effortless expansion of copper, aluminium and brass pipes - using only a few pumps of the lever!

- 1/4 head included in the kit
- In both Metric and Imperial

- Single-handed operation
- Laser-engraved expander heads are easy and quick to identify and attach
- Compact design permits working in hard to access areas
- Expander heads for both Imperial and Metric
- De-burring tool included in the kit
- Angled and ergonomic design requires less effort
- Compatible with most other tools on the market
- Simply attach correct size expander bit, pump on the lever until it stops, click-release - job done!
